## Meet Today's Partner Family

**Fahim Sultana Rigi and her husband Emad Hussain**, along with their two children, struggle to live in a tiny two-bedroom apartment in Toronto. They've been there since 2000. Prior to this home, they were living in yet another cramped apartment with only one bedroom. They moved from Bangladesh in 1992 to start a new life in Canada. And in their own words "we love Canada."

They believe moving into their new three-bedroom home will change their future. Their new home will be the centre of their activities, the centre of their lives and will finally fulfill their dream of being homeowners.
